

Dear RMYD Camp Parents,

Thank you for selecting our Ra Messu-t Youth Development (RMYD) summer camp program this summer. We are confident that your child will feel at home and be able to explore new areas of interest with us.

RMYD's primary goal is to offer your child a safe and fun atmosphere where children feel comfortable to explore activities in a warm and nurturing environment. Through our safe, age-appropriate activities, children develop positive self-esteem while having FUN!

RMYD requires that our summer camp staff have experience working with children in various capacities, as well as possess degrees in education, a related field, or currently attend high school or college as camp counselors.

Communication is the key to a successful program. If you have any questions or concerns throughout the summer, please do not hesitate to contact your Camp Director by phone at 773-887-2224 or by email, [info@ramessut.org](mailto:info@ramessut.org). Your input ensures that we are meeting everyone's needs.

Once again, welcome to RMYD summer camp! Please keep this handbook to use as a guide throughout the summer.

Yours truly,

## **I. Program Description**

### **Ra Messu-t Youth Development**

RMYD's mission is to cultivate young minds for excellence and success by providing support, opportunities, and positive challenges for children and teens, ages 5-13 years old. This program focuses on the core life concepts of: Character, Respect, **Education**, Discipline, Leadership, Health and Fitness, Teamwork, and basic life skills. Components include quality mentoring, youth leadership training, and recreation and sports activities.

Our summer program, will keep children learning through active play, recreational sports and academic enrichment. We will have an end of the year celebration for children and parents. It is our way of celebrating all of the fun and hard work the children have experienced throughout the camp.

#### **Philosophy**

RMYD's Camp provides a "child centered" curriculum consisting of activities that are age appropriate and appealing to children. Children are encouraged to participate in activities that allow them to experience and learn new and exciting things.

#### **Purpose**

To provide a relaxed, trusting, and intimate atmosphere where children are encouraged to pursue their own interests; develop friendships; gain self-confidence; become more independent; and develop life skills. To provide the highest quality camp programs where parents feel confident that their child is safe, healthy, and happy during the summer.

#### **Academic Enrichment**

We provide academic enrichment, taught by qualified teachers, to maintain learning from the prior academic year. Many times, children will forget most of what they learned through summer activities. We include academic enrichment to ensure this doesn't happen.

#### **Statement of Nondiscrimination**

RMYD does not discriminate in providing service to children and their families on the basis of disability, race, religion, cultural heritage, political beliefs, marital status, sexual orientation, national origin, or primary language spoken.

## **II. Daily Program Procedures**

### **Child Release Policy**

Camp will operate from 7:45 AM until 4:30 PM

Picture Identification must be shown at pick-up to ensure the safety of every child in attendance. Even if staff members become familiar with you and all authorized pick up persons, you will be asked for identification to cross reference names on your child's registration forms. Your child will only be released to authorized individuals. Please inform all persons who will pick your child up to carry photo identification. Any changes or additions to your authorized pick up list must be in writing and dated.

Parents must pick up their children no later than 4:30 PM. If the parent is unable to pick up the child on time at 4:30 PM the parent should notify the individual designated for emergency pick up. Parents will be charged \$5 per minute beyond 4:30 PM. Late fees are due to be paid the next day the camp is in session. The child's emergency contact will be phoned if the parents have not contacted the program. An Incident Report will be filed if a parent is more than 15 minutes late.

### **Breakfast and Lunch**

RMYD and FSP has partnered together to provide a nutritional breakfast and lunch to your child on a daily basis. Breakfast will be served from 8am to 8:50am and lunch from 12 pm to 12:45pm. If you plan to bring your child(ren) to camp after 9am, please make sure that he/she has eaten breakfast.

### **Snacks**

Parents are required to provide a non-perishable snack for your child. Snack time is from 2:30pm to 3:00pm.

## **III. Child Guidance and Related Policies**

### **Child Guidance Plan**

RMYD summer camp staff and administration provides children with guidelines for appropriate behavior and rules to follow while enrolled at camp. We encourage positive actions through positive reinforcement and close supervision. Our main goal is to keep the children safely involved in activities so the inappropriate

behavior is limited. Special modifications may be made to adapt to a child's needs. If your child has an Individualized Educational Plan (IEP), it is beneficial to inform the Director of your child's special needs so that modifications can be implemented. The following steps are followed if inappropriate behavior occurs:

1. The child is spoken to privately in a firm but gentle manner regarding the unacceptable behavior.
2. If the said behavior continues, the child is removed from the activity for a cool down until both the instructor and the counselor feel the child is ready to return.
3. If the said behavior still continues, the child will be directed into a different activity area for a period of time to be determined by the instructor.
4. If the said behavior still continues, the child will be taken or directed to the Director's office for a period of time-determined necessary by Director.
5. If the said behavior still continues, the child's parent will be called or spoken with before departing for the day. Also, a Behavior Report will be filed at that point.
6. An Incident Report will be filed when there is evidence of property destruction, injury to an individual, forcefully touching an individual, foul language, disobedience to camp staff and other inappropriate behavior.
7. Three incident reports during your child's stay at camp will result in suspension from camp. The fourth incident report will result in a two-day suspension from camp. The fifth incident report will result in termination of service from camp.
8. A child may be terminated from camp without prior notice to the parents under the following conditions:
  - a. A child injures another individual requiring medical attention.
  - b. A child displays violent, uncontrollable behavior that will put others in the program at risk.
  - c. A child is engaged in fighting activities.

**\*\* No child will be suspended from camp without the consent of the Camp Director. All efforts will be made to work with the parents and the children on all behavior issues. All Incident Reports are written and reviewed by the Camp Director before a parent is notified.**

\*\* Behavior incidents will never be dealt with in a demoralizing, humiliating, or abusive manner. No child shall be subject to abuses of neglect, cruel, unusual, severe, or corporal punishment including: punishments which subject a child to verbal abuse, ridicule, humiliation, denial of food, use of bathroom facilities, punishment for soiling, wetting, or not using the toilet.

\*\* Staff members shall not be subject to verbal or physical abuse by a child enrolled in camp, or by their parent, including but not limited to, cruelty, humiliation, foul language, and ridicule. If this occurs, an Incident Report will be filed.

### **Suspension and Termination Plan**

The following conditions may warrant a suspension or termination from RMYD summer camps. (Please refer to the Child Guidance Plan for more details.)

1. Three incident reports on file.
2. Two incident reports filed per session.
3. A child brings harm to another child or staff person resulting in injury requiring medical attention.
4. Unpaid tuition
5. Failure to follow camp rules.
6. Late pick-ups.

Please Note: No camp fees reimbursement will be applied if the child is suspended or terminated from camp.

### **Prevention of Child Neglect and Abuse**

All children who attend camp shall be protected from abuse and neglect. Any suspected case of abuse or neglect will be reported in writing with factual information and observation from camp staff to the Camp Director immediately. All cases of abuse or neglect will then be reported to the Department of Children and Family Services (DCFS) immediately. Camp staff is mandated by the State of Illinois to report any suspicions of abuse or neglect to the Department of Children and Family Services (DCFS).

RMYD summer camps will cooperate in all investigations of abuse and neglect by identifying parents of children currently or previously enrolled in the camp programs to any agency or person specified by the State necessary to prompt investigation of all allegations and protection of the child or children.

Any staff member who is under investigation will be removed from direct care responsibilities until the Department of Children and Family Services (DCFS) investigation is complete. If the investigation proves that the complaint is valid, the staff member will be dismissed immediately.

### **Equipment Replacement Policy**

If a child breaks or damages RMYD property (toys, games, water equipment, sports equipment, furniture, doors, windows, etc.) through improper use, the Camp Director will meet with the parents and decide upon one of the following consequences:

1. The parent will purchase replacement item.
2. The parent will replace the item with something similar if applicable.
